EXPLORE THE OPPORTUNITIES

## Looking for ways to reduce your costs for furniture and seating? The answer is furniture refurbishment and re-covering.

No one does it better than CSI FURNITURE. We're specialists in repairing, recovering and recycling furniture. Our wealth of experience in the repair and production of furniture guarantees you the very best quality at the right price.

For example, the cost of refurbishing a table is around two thirds the cost of replacing it. CSI FURNITURE ensures only the highest standard of quality assurance and service. It's a commitment reinforced by the CSI Customer Service Guarantee.

### Our Customers include:

- Schools
- Universities
- Hospitals and Nursing Homes
- Public Transport
- Clubs
- Hotels

They come back time and again because we understand their needs and meet their expectations. They know recycling not only saves in cost but reduces waste and enhances their reputation for responsibility. CSI FURNITURE gives furniture the function, style and durability it needs to begin again.

### Our Capabilities include:

- Re-covering seats and chairs
- Re-laminating tops
- Re-surfacing timber
- Powder coating
- Re-spraying metal frames

CSI FURNITURE has formed successful partnerships with the private sector.
